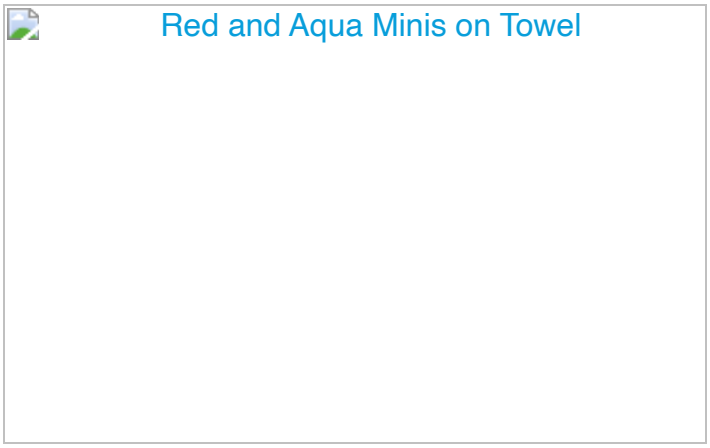
The Best Things Keep Getting Better

MINI JAMBOX is the only speaker that gets better over time. Now, the new Multi Play update makes MINI JAMBOX more social than ever before.

Get Together

Sometimes you just want to hear more. Now you can. Connect two MINI JAMBOX speakers for twice the sound, and turn your gatherings into a DJ set by alternating songs with a friend.



Get Lost in the Sound

Front row at a concert, on a movie set, or in the driver's seat of your favorite game—the rich, clear three-dimensional sound of MINI JAMBOX with LiveAudio transports you to amazing places.

Power Performer

MINI JAMBOX is designed to last. Because you can update the technology that powers it, you'll always have the latest, greatest version.
